AND FINALLY.....JONATHAN'S YOUTUBE CHANNEL

Jonathan has launched his own Youtube channel where he will be posting videos and music clips not available anywhere else. He hopes to post exclusive previews and interviews about forthcoming concerts and recordings. One of his first offerings is a recording of Percy Grainger's 'Handel in the Strand', made with his string ensemble Capital Virtuosi in 1991, that never made it onto their first CD. The DAT tape lay at the bottom of a box until earlier this year when it was restored.
